

Minutes of Greencastle Manor II Board of Directors Meeting  
January 22, 2020

Meeting started at 7:00pm

- October 23, 2019 Board meeting minutes were approved
- The Board agreed to table any decision on installation of ramps and speed bumps for now.
- The Board review the email correspondence from the owner of 3441 Bruton Parish Way regarding a waiver of the fines levied on their account from the 2018 ACC inspections citations. The Board concluded unanimously to deny the request as they did not correct their exterior maintenance violations in a timely manner. The fines on the account will not be waived.
- The Board requests FSC to install reflective snow sticks at both ends of every speed bump on the property to alert the plow drivers where they are located so they won't get damaged by the plow.
